

Department of Energy

§ 710.27

preliminarily determined, after considering information furnished by the investigative agency as to the reliability of the person and the accuracy of the statement concerned, that:

(i) The statement concerned appears to be reliable and material; and

(ii) Failure of the Hearing Officer to receive and consider such statement would, in view of the access sought to Restricted Data, national security information, or special nuclear material, be substantially harmful to the national security and that the person who furnished the information cannot appear to testify

(A) Due to death, severe illness, or similar cause, in which case the identity of the person and the information to be considered shall be made available to the individual, or

(B) Due to some other specified cause determined by the head of the agency to be good and sufficient.

(m) Whenever procedures under paragraph (l) of this section are used:

(1) The individual shall be given a summary or description of the information which shall be as comprehensive and detailed as the national interest permits, and

(2) Appropriate consideration shall be accorded to the fact that the individual did not have an opportunity to cross-examine such person(s).

(n) Records compiled in the regular course of business, or other physical evidence other than investigative reports obtained by DOE, may be received and considered subject to rebuttal without authenticating witnesses provided that such information has been furnished to DOE by an investigative agency pursuant to its responsibilities in connection with assisting the Secretary to safeguard Restricted Data, national security information, or special nuclear material.

(o) Records compiled in the regular course of business, or other physical evidence other than investigative reports, relating to a controverted issue which, because they are classified, may not be inspected by the individual, may be received and considered provided that:

(1) The Secretary or his special designee for that particular purpose has made a preliminary determination that

such physical evidence appears to be material;

(2) The Secretary or his special designee for that particular purpose has made a determination that failure to receive and consider such physical evidence would, in view of the access sought to Restricted Data, national security information, or special nuclear material sought, be substantially harmful to the national security; and

(3) To the extent that national security permits, a summary or description of such physical evidence is made available to the individual. In every such case, information as to the authenticity and accuracy of such physical evidence furnished by the investigative agency shall be considered.

(p) The Hearing Officer may request the Local Director of Security to arrange for additional investigation on any points which are material to the deliberations of the Hearing Officer and which the Hearing Officer believes need further investigation or clarification. In this event, the Hearing Officer shall set forth in writing those issues upon which more evidence is requested, identifying where possible persons or sources from which the evidence should be sought. The Local Director of Security shall make every effort through appropriate sources to obtain additional information upon the matters indicated by the Hearing Officer.

(q) A written transcript of the entire proceedings shall be made and, except for portions containing Restricted Data or national security information, a copy of such transcript shall be furnished the individual without cost.

(r) Whenever information is made a part of the record under the exceptions authorized by paragraphs (l) or (o) of this section, the record shall contain certificates evidencing that the determinations required therein have been made.

§ 710.27 Hearing Officer's decision.

(a) The Hearing Officer shall carefully consider the record in view of the standards set forth herein and shall render a decision as to whether the grant or restoration of access authorization to the individual would not endanger the common defense and security and would be clearly consistent

with the national interest. In resolving a question concerning the eligibility of an individual for access authorization under these procedures, the Hearing Officer shall consider the factors stated in paragraph 710.7(c) to determine whether the findings will be adverse or favorable.

(b) In reaching the findings, the Hearing Officer shall consider the demeanor of the witnesses who have testified at the hearing, the probability or likelihood of the truth of their testimony, their credibility, and the authenticity and accuracy of documentary evidence, or lack of evidence on any material points in issue. If the individual is, or may be, handicapped by the non-disclosure to the individual of confidential information or by lack of opportunity to cross-examine confidential informants, the Hearing Officer shall take that fact into consideration. Possible impact of the loss of the individual's access authorization upon the DOE program shall not be considered by the Hearing Officer.

(c) The Hearing Officer shall make specific findings based upon the record as to the validity of each of the allegations contained in the notification letter and the significance which the Hearing Officer attaches to such valid allegations. These findings shall be supported fully by a statement of reasons which constitute the basis for such findings.

(d) The Hearing Officer's decision shall be based on the Hearing Officer's findings of fact. If, after considering all of the factors in light of the criteria set forth in this subpart, the Hearing Officer is of the opinion that it will not endanger the common defense and security and will be clearly consistent with the national interest to grant or reinstate access authorization for the individual, the Hearing Officer shall render a favorable decision; otherwise, the Hearing Officer shall render an unfavorable decision. Within 15 calendar days of the Hearing Officer's written decision, the Hearing Officer shall provide copies of the decision and the administrative record to the Manager and the Director, Office of Safeguards and Security.
